

TOPICAL OINTMENT, LOTION OR CREAM FORM

In order to apply anything topical to your child's skin or lips, we need to have an annual form in your child's folder. This item applied would be something that you furnish for your child's teacher to administer.

Please do not keep these items in your child's bag. These must be handed to the teacher, so she may lock them up in her classroom for the safety of all of our children.

Also, any medications or ventilators must be approved by the Head of School before being administered to a child at our school. Thank you.

I give my permission for the staff at Brookhaven to administer any of the above.
